

GETTING STARTED IN NOBLE 8 REVOLUTION

CONGRATULATIONS ON YOUR DECISION TO PARTICIPATE IN OUR NOBLE 8 REVOLUTION.

Our Philanthropic Mission is to raise **over \$1 BILLION** for the 8 Pillars of Noble Giving while empowering **YOU** on a success trip through our unique **LIFE MASTERY ACADEMY**. Personal Growth, Financial Freedom AND Time Freedom are within your grasp!

You have taken the first step toward doing some good for those in need while you start your personal quest for financial and/or time freedom. **While Noble 8 Revolution has set up the systems to ensure your success, it is up to each of us to not only plug into the systems for our own success, but to help each person we sponsor get off to a quick start toward THEIR success!**

Let's start...

Here is the "**8 Step Formatted Success System**" training done by Coach Blaine Williams, our CEO: <https://tinyurl.com/CoachBlaine8Steps>

Everyone has wishes and dreams.

1. **Let's turn your wishes and dreams into a written Goal.** Be definite. You must have a stated goal and a timeline to accomplish it.
 - a. Napoleon Hill said: "**What the mind can see and believe, IT CAN ACHIEVE**".
 - b. Work with your sponsor or mentor.
2. **Develop an Action Plan.** It takes time, effort and definite purpose.
3. **Make a Names List.** Shoot for 100 names. Ask your mentor to help with a Memory Jogger.
4. **Start to Contact and Share...**We are NOT in the business of selling or persuading, we are simply looking for like minded people...People who want MORE out of life.
5. **Follow Up.** Whether it's a 3-way call with your sponsor, mentor or upline, it's necessary to establish a "sense of belonging" and to demonstrate your new person does NOT have to know everything to succeed.
6. **Train on FOLLOWING this SYSTEM.** Our business has the training, Noble8Now marketing system, business cards, lead program and so much more to ensure success, BUT we ALL have to "plug in".
7. **Get involved in Personal Growth and Development...**We have to grow to succeed. Napoleon Hill's "**Think and Grow Rich**" is a great book to read if you haven't.

7A. **Plug yourself into the Life Mastery Academy courses.** Surround yourself with positive thinking people.

8. **Build on our Culture of Giving, Growing... and WINNING!** Noble8Revolution provides the vehicle to turn our dreams into a reality.

Now, what's NEXT?

Everyone starts out as a Customer by purchasing the initial \$25 Life Mastery Academy course.

As a Customer, you can refer other Customers to our program. Once you have 3 Customers who have purchased their course from YOUR Noble8 link, you become an Independent Business Leader (IBL). You can now collect and are eligible for additional commissions in our first Campus.

HERE IS A GUIDELINE FOR YOU TO FOLLOW TO ENSURE A RUNNING START.

EXCELLENT!

6. **Develop your prospect list.** Don't judge!... It doesn't matter where someone is in life. For some, the trigger will be philanthropy. For others, it will be helping people. For some it will be more money for their family and for others, it will be Time Freedom!

Use the Noble8Now system and your Sponsor/Mentor to assist you with 3-Way Calling. Help and direct your new team members in getting off to a quick start too.

Focus on enrolling your first 3 customers within your first 48 hours!

7. **Continue to enroll "CUSTOMERS".** **Three** (3) qualifies you for commissions in the 1st CAMPUS. **Two** (2) more for the 2nd, **two** (2) more for the 3rd and **one** (1) more for the 4th.

That's 8 personally enrolled customers. Let's DO IT NOW!

8. **You are NOT SELLING or CONVINCING...** You are calling a family member, friend or business associate and saying, *"Hey, Joe. I'm sending you a link to two short videos which really caught my attention and I think it will do the same for you. All told, it's less than 12 minutes long. Joe, this can do a lot of good for a lot of people, both of us included. When do you think you'll have time to watch and when should I call you back if you haven't called me first?"*

That's it. **Do NOT answer questions.** If they ask questions, just say; *"Joe, the videos will do a much better job in a lot shorter time than I will. Just watch the videos."*

Go to <http://noble8revolution.com> Go to the bottom RH corner and click on "IBL SUPPORT". Now **BROWSE** everything on that site.
