## Control the Point OF CONTACT

Here is a GREAT Tool to Identify your prospects to share your Noble8Now Marketing Tool with

This is designed to help you recall friends and business contacts who know you. You know a LOT of people - but most of us need help to identify more than 10 close friends. These people will be a VERY valuable resource for you - BECAUSE people tend to do business with people whom they "know, like, and trust" - and THESE people already know, like and trust YOU.

They will be very lucky and grateful to hear from YOU! Maybe they've been hit by the stock market, housing/credit troubles or the economic downturn. They may feel insecure because of the threat of layoffs, or simply be deep in debt - and they need a way to generate MORE income.

YOU have the Perfect Solution for them... Your Business!

Those who don't join, become your customers

If they view your Noble8Now First Look Website tool you will have either a new business partner or at least, a new customer.

It is the VIEWS that matter..
